

REMARKS

Applicant appreciates the time taken by the Examiner to review Applicant's present application. This application has been carefully reviewed in light of the Official Action mailed August 13, 2003. Applicant has canceled Claim 33, amended Claims 1-3, 8, 10-12, 16, 23, 25-27, 30, 31, 39, 41, 43, and 45, and added new Claims 47-58, consequently Claims 1-32 and 34-58 remain pending in the application. Applicant respectfully requests reconsideration and favorable action in this case.

Claim Objections

Claims 1, 11 and 16 stand objected to because use of the term "a single location" is not consistent with the use of the term "plurality." Claims 1, 11, 16 and 26 have been amended to address this objection. Applicant respectfully submits that no new matter has been added by these amendments and respectfully requests the withdrawal of this objection.

Rejections under 35 U.S.C. § 103

Claims 1-46 stand rejected under 35 U.S.C. §103(a) as being unpatentable over *Developing Applications with Jrun* in view of *Web Browser File Uploading to EAS Server*.

Applicant has amended independent Claims 1, 8, 11, 16, 23, 26, 30, 39 and 43. Applicant respectfully submits that these amendments enable the storing of a component within an individual export files and the collection of these individual export files into one group export file which may be used to contain and transport the assets of more than one component. Consequently, Applicant believes these amendments render the Examiner's rejections of independent Claims 1, 8, 11, 16, 23, 26, 30, 39 and 43 and their respective dependent Claims 2-7, 9-10, 12-15, 17-22, 24-25, 27-29, 31-38, 40-42, 44-46 moot. Accordingly, withdrawal of the rejection of Claims 1-46 is respectfully requested.

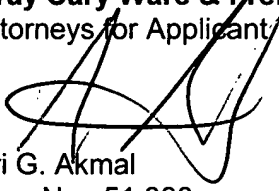

Conclusion

Applicant has now made an earnest attempt to place this case in condition for allowance. Other than as explicitly set forth above, this reply does not include an acquiescence to statements, assertions, assumptions, conclusions, or any combination thereof in the Office Action. For the foregoing reasons and for other reasons clearly apparent, Applicant respectfully requests full allowance of Claims 1-32 and 34-58. The Examiner is invited to telephone the undersigned at the number listed below for prompt action in the event any issues remain.

The Director of the U.S. Patent and Trademark Office is hereby authorized to charge any fees or credit any overpayments to Deposit Account No. 50-0456 of Gray Cary Ware & Freidenrich, LLP.

Respectfully submitted,
